

# FILLMORE

## Adhesive fluid grease

### Description

Very high adherent properties. Mineral-based oil. Completely insoluble in water, even under pressure.

### Applications

For all mechanisms exposed to intense water projection or working under water. Suitable for chains with crimped links. Cable protection. Windscreen wiper shafts, door linkages, Bowden cables, lock cylinders and hinges. Bottling lines. Bridge cranes

### Technical data

Operating temperature range: -20°C to +160°C

Non-flammable propellant: CO2
